Select ALL CLASSES on upper menu bar and use location finder

Spanish Young Beginner

Children will build practical Spanish language skills in a fun, informal, language immersion setting with songs, games, and activities! Topics include favorite animals greetings, colors, shapes and counting, a picnic, and things we like to do and eat - all en español! This level is designed for younger beginners and lessons include hands-on activities and a workbook with less focus on writing. Appropriate for new and continuing Introductory level students and 2nd graders who are new to Spanish. Grades K-2

Spanish Beginner and Intermediate Extended

Let's keep going! Join us as we continue our Spanish learning adventure in a fun, informal language immersion setting. Children will build on what they have already learned as we explore different and familiar topics and themes using new vocabulary and expressions, and as we practice our reading and writing skills in Spanish. Extended programs are appropriate for continuing Beginner and Intermediate students or new students with previous Spanish language experience. Grades 2-5

Big Learning classes are taught by native speakers of the language they teach. Each level includes a workbook and hands-on activities to promote practical use of the language and support early literacy skills. Sessions include different topics and themes so children learn new vocabulary and concepts throughout the school year.

Class	Day	Dates / 8 weeks	Time	Tuition
Spanish Young Beginner K-2	Wednesday PM	April 24	3:30 PM - 4:30 PM	\$180
